

**Beverly Eskra**

**Dear Neighbor,**

**It's that time again to vote for the CCA Board and I am up for re-election on August 3<sup>rd</sup>.**

**I have served on the CCA board since 2016 and in that time, I have worked passionately for the residents of this community. Below are a few of my accomplishments:**

- **Re-organized the Landscape Advisory Board to 7 active members of our community committed to ensuring quality landscaping along with open effective communication between our landscapers, administration and most importantly our residents.**
- **Utilized my background in Nursing Education to ensure that infection control measures are addressed in accordance with the CDC and Board of Health guidelines during the Covid-19 crisis.**
- **Apprised the CCA board and our residents about the FHA law: neighbor to neighbor harassment issues and that No One Is Above the Law.**
- **Wrote the Courier Comments column for the Board during the tenure of Paul Handwerk's Presidency and part of Sandy Katz's Presidency.**
- **Secretary to the CCA Board of Directors.**

**It is my fervent desire to continue to be TRANSPARENT, HONEST AND INVESTED IN YOU!**

**Thank you!**

**PLEASE VOTE!!**
