

Stepfamily Family Tree Ancestor Chart

The form is a stepfamily family tree ancestor chart. It features a central box for the individual, with lines extending to boxes for their parents (stepfather and father on the left, stepmother and mother on the right). Each of these boxes has lines for name, birth date and place, marriage date and place, and death date and place. The outermost boxes represent grandparents and grandmothers, also with lines for name, birth date and place, marriage date and place, and death date and place.
