

Get Through The Winter Months With Zoom

Intermediate Class

If you missed out on what Zoom is all about and want to start using this amazing gift technology has provided all of us during this trying time then take this class!

Get more involved in Clearbrook activities or using it for your personal use with family and friends. Zoom will help you get through the winter months for sure!

Virtual is the new norm and it's **not** a scary place.

Join us on Wednesday, December 16th at 11:00am

Class given by our Computer Club President Gary Levine
